The American Recovery and Reinvestment Act

<http://www.recovery.gov>

In Accordance with Section 1121 of The American Recovery and Reinvestment Act, homeowners will be provided with a Tax credit equal to 30% of their investment for qualifying **energy efficient windows** to a maximum of **\$1,500.00**.

Note: Not all windows qualify Under Section 1121 for exterior windows and doors to qualify they must achieve a U-factor of .30 or better and a Solar Heat Gain Coefficient of .30 or less.

Most new wood and vinyl windows do not qualify for the tax credit, even if they meet minimum Energy Star Standards.

Hi-Tech Windows not only qualify for the 30% Tax Credit, they SURPASS all requirements.
